

II. Planning Standards and Evaluation Criteria

A. Assignment of Responsibility (Organization Control)

Primary responsibilities for emergency response by the nuclear facility licensee, and by State and local organizations within the Emergency Planning Zones have been assigned, the emergency responsibilities of the various supporting organizations have been specifically established, and each principal response organization has staff to respond and to augment its initial response on a continuous basis.

<u>Evaluation Criteria</u>	<u>Applicability and Cross Reference to Plans</u>		
	<u>Licensee</u>	<u>State</u>	<u>Local</u>
1.a. Each plan shall identify the State, local, Federal and private sector organizations (including utilities), that are intended to be part of the overall response organization for Emergency Planning Zones. (See Appendix 5).	<u>X</u>	<u>X</u>	<u>X</u>
b. Each organization and suborganization having an operational role shall specify its concept of operations, and its relationship to the total effort.	<u>X</u>	<u>X</u>	<u>X</u>
c. Each plan shall illustrate these interrelationships in a block diagram.	<u>X</u>	<u>X</u>	<u>X</u>
d. Each organization shall identify a specific individual by title who shall be in charge of the emergency response.	<u>X</u>	<u>X</u>	<u>X</u>
e. Each organization shall provide for 24-hour per day emergency response, including 24-hour per day manning of communications links.	<u>X</u>	<u>X</u>	<u>X</u>
2.a. Each organization shall specify the functions and responsibilities for major elements and key individuals by title, of emergency response, including the following: Command and Control, Alerting and Notification, Communications, Public Information, Accident Assessment, Public Health and Sanitation, Social Services, Fire and Rescue, Traffic Control, Emergency Medical Services, Law Enforcement, Transportation, Protective Response (including authority to request Federal assistance and to initiate other protective actions), and Radiological Exposure Control. The description of these functions shall include a clear and concise summary such as a table of primary and support responsibilities using the agency as one axis, and the function as the other. (See Section B for licensee).		<u>X</u>	<u>X</u>

A. Assignment of Responsibility (Organization Control) (continued)

<u>Evaluation Criteria</u>	<u>Applicability and Cross Reference to Plans</u>		
	<u>Licensee</u>	<u>State</u>	<u>Local</u>
b. Each plan shall contain (by reference to specific acts, codes, or statutes) the legal basis for such authorities.		X	X
3. Each plan shall include written agreements referring to the concept of operations developed between Federal, State, and local agencies and other support organizations having an emergency response role within the Emergency Planning Zones. The agreements shall identify the emergency measures to be provided and the mutually acceptable criteria for their implementation, and specify the arrangements for exchange of information. These agreements may be provided in an appendix to the plan or the plan itself may contain descriptions of these matters and a signature page in the plan may serve to verify the agreements. The signature page format is appropriate for organizations where response functions are covered by laws, regulations or executive orders where separate written agreements are not necessary.	X	X	X
4. Each principal organization shall be capable of continuous (24-hour) operations for a protracted period. The individual in the principal organization who will be responsible for assuring continuity of resources (technical, administrative, and material) shall be specified by title.	X	X	X
